

### Cipher Coding and Decoding

Using the DCC Cipher Decoder solve the puzzles below! The first letter of each cipher puzzle will be filled in to give you a hint. Once you have the hang of decoding, create your own cipher puzzle and have someone else solve it!

19 5 3 18 5 20 / 1 7 5 14 20

S \_\_\_\_\_ / \_\_\_\_\_

6 12 19 11 8 21

C \_\_\_\_\_

21 22 20 6 21 22

D \_\_\_\_\_

Using your cipher decoder key, create your own! Make sure to give a hint by filling in the first letter!
