

Unity, Diversity, and Justice Crossword

The Unity, Diversity, and Justice exhibit was featured at the DCC in 2013 and now exists as an online exhibit on the DCC website. The exhibit explores Canada's approach to human rights declarations and actions both on domestic and international levels. Strengths and weaknesses of various human rights documents, amendments, and declarations of Canada and the United Nations are explored. The exhibit delves into Canadian historic and modern views on human rights and how that fits into global themes of justice, diversity, and equality through achieved freedoms. Try out this crossword while going through the Unity, Diversity, and Justice exhibit. If you need a hint, they are on the next page!

Down
