Rt. Hon. John G. Diefenbaker, M.P.,
Prime Minister of Canada,
Ottawa

My dear Prime Minister,

As I was leaving the hotel this morning, Mr. Eloi Belanger asked me if I would deliver the enclosed note to you personally.

Just to refresh your memory this is the elevator starter with the raspy voice who has been there for so many years. He asked me if I would mind delivering this to "my friend, the Prime Minister".

Yours sincerely,

Ellen Fairclough
