

Christmas Cards

Materials:

- Cardstock
- Printed Victorian card illustrations
- Scissors
- Glue stick
- Ribbon (Optional)
- Paper lace or doilies (Optional)

1. Choose an illustration (or a few) and cut it out

2. Place the illustration against a piece of cardstock in the corner and decide how much cardstock you want showing before cutting the cardstock. It is best to leave a centimeter or two around the illustration but remember it has to be folded

3. Fold the cardstock and glue the illustration to it

4. Add any extra embellishments to the card (this step is optional)

5. Write a message in the card and send to a friend or a family member
